

**STAFFORDSHIRE COUNTY COUNCIL
HIGHWAYS ACT 1980, SECTION 119 AND
WILDLIFE & COUNTRYSIDE ACT 1981, SECTION 53(A)**

**PROPOSED DIVERSION OF PUBLIC FOOTPATH
NO 15 (PART) DENSTONE**

Staffordshire County Council is currently considering an application to divert the above public footpath. The effect of the diversion will be to extinguish the existing section of footpath shown by a solid black line (A-B) on the map and create in its place the footpath shown by a broken black line (C-D-E-B). This proposal will divert the footpath from the Definitive line which passes through the garden of the house onto a line, which has been used for over 15 years, in the adjacent field to improve privacy and security at the property.

The proposed new route will have a width of 1.2 metres (C-D) and 1.8 metres (D-E-B) and will be a highway maintainable at public expense. There will be a new stile, to British Standard, for stock control at point D on the map.

The Countryside and Rights of Way Panel, who will be interested to know the views of users of the path, will consider the proposal in due course. If you wish to object to the proposal, or you have any comments you would like to be considered by the Panel, please write to: Robin Carr Associates, Public Rights of Way Management & Consultancy Services, Meadow Barn, Main Street, Kneesall, Newark, Nottinghamshire NG22 0AD or email consultancy@prow.biz (quoting Reference RCA/SCC/PPO/61) before 18th June 2025.

Robin Carr Associates are processing this application on behalf of Staffordshire County Council. It will however be the County Council's Countryside and Rights of Way Panel who determine whether or not the requested Order should be made.

Please note that, as a result of legislation, any comments you do send may be placed in the public domain, read and copied by the applicant, public or the press.

This is an informal Notice to advise that the proposal will be considered in due course by Staffordshire County Council's Countryside and Rights of Way Panel. If the Panel decides to proceed with the making of an Order, it will be advertised in the usual way and formal objections can be made at that time.
